*Michel Dahlenburg *Valerie Volk *Susannah Sweeney

Cellist Michael Dahlenburg will be joining the Australian String Quartet in November, as Sharon Grigoryan retires. He is thrilled about what could be his 'dream job', given his special love for playing in string quartets.

Valerie Volk has recorded a year in poetry and photography - a year when her partner was diagnosed with and treated for cancer. The year ended in hope that they will have many more years together. The book is called Marking Time and you can find it in bookshops go directly to: valerievolk.com.au

Susannah Sweeney has devised a very imaginative and innovative program for the festival DreamBIGChildren. While it is scheduled for next May school bookings are filling up. Family bookings open in February. Check out the program on dreambigfestival.com
